

Carol Hoppe, CPC, CCS-P, CPC-I
President and CEO of MedLucid Solutions

Carol Hoppe has been in healthcare for more than 25 years working with a variety of specialty and primary care physicians. She has hands-on practice experience working in transcription, billing, collections, and office management. She previously worked as a consultant, instructor and Director of Billing, Coding and Credentialing for a 500+ physician/hospital system in Indianapolis before starting her own consulting business.

Carol holds a BS in Business Management from Indiana Wesleyan University, where she graduated with honors, Summa Cum Laude. She is a Certified Professional Coder (CPC) and a Certified Professional Coding Instructor (CPC-I) through the American Academy of Professional Coders (AAPC). She is a Certified Coding Specialist-Physician-Based (CCS-P) through the American Health Information Management Association (AHIMA) as well as an AHIMA-approved ICD-10-CM trainer.

Carol has published articles, developed and presented billing and coding curriculum for physicians and staff, participated in Anthem and UHC advisory committees. She taught Medical Billing and Coding as an Adjunct Instructor at Sanford Brown College in Indianapolis and as an Online Adjunct Instructor for Ultimate Medical Academy. Carol is also a member of the WPS Medicare Part B J8 Provider Outreach and Education Advisory Group (POE AG) and the AHIMA CCS-P Exam Development Committee.

Carol enjoys mentoring and helping others be efficient and successful in their roles. She is a gifted trainer and speaker with a wealth of practical knowledge on billing, coding, credentialing and compliance issues.
